Digital Citizenship Infographic

Toronto Metropolitan University

ROGERS cybersecure catalyst

Based on the following themes, **brainstorm** what you think is most important for people to learn about cybersecurity through an infographic, or what you would want your infographic to be about.

Cyber Respect and Online Kindness	**Positive Digital Footprint**
The Truth Online	**Safe Communication Online**
Passwords & Passcodes	**Other**

Chosen Topic: _____

Main Idea / Theme: _____

Infographic Success Criteria

- ☐ I can create an Infographic (visual representation of information) on a theme related to cybersecurity.
- ☐ My Infographic communicates a clear argument or theme related to cybersecurity
- ☐ My design is attention-grabbing
